

## DISASTER RELIEF AUSTRALIA

Disaster Relief Australia is a veteran led disaster relief organisation. We use the unique skills and experience of military veterans and emergency services specialists; our members, to respond to natural disasters both in Australia and around the world.

### WHAT WE DO

We bring help and hope to communities devastated by natural disasters. In short, we help people on their worst days.

### SENSE OF PURPOSE

We offer a unique opportunity to be part of humanitarian efforts with a mission, team and intensity similar to military service.

Our mission is to unite the skills and experience of military veterans with emergency service specialists to rapidly deploy disaster relief teams in Australia and around the world in the wake of natural disasters.

## OUR CAPABILITIES

By combining modern military technology and experience with emergency services best practice, DRA operates at the cutting edge of disaster relief.

## DISASTER RELIEF AUSTRALIA

93% of DRA's members are military and/or emergency services veterans.

Regardless of your background, if you are willing to serve communities devastated by natural disasters, join us.

### WHERE ARE OUR MEMBERS?

With over 2,500 members and 7 fully operational Disaster Relief Teams (DRTs) in Townsville, Brisbane, Sydney, Melbourne, Adelaide, Canberra and Perth, DRA represents a significant capability.

DRA's plan is to grow from 7 to 12 DRTs nationally by 2024.

### JOIN TODAY

Service in Disaster Relief Australia is not easy. You will dig deep and work hard and you will be challenged to give your all without ever seeking personal recognition or reward. Yet those who take up the challenge find a purpose like no other.

IS THIS YOU? ARE YOU BUILT TO SERVE?

## MEMBER BENEFITS

**Operational Deployments:** Deploy on disaster relief operations both in Australia and around the world in the wake of natural disasters. If you excel in the service of others - you are built to serve and should join our tribe! You will see for yourself the difference we make to communities and to each other.

**Service Projects:** DRA members often propose short term projects to address a community need. These projects range from helping war widows to assisting entire communities. See a problem - see a solution.

**Training:** DRA provides a broad range of general and specialist training. From UAV and imagery analysis to Incident Command Systems and Volunteer Management. Our training opportunities are near constant and ever evolving to keep us at the cutting edge.

**Professional Development:** DRA genuinely recognises the existing skills and experience of military veterans and first responders. You will never be asked to jump through unnecessary hoops to deploy. But we also offer pathways for professional development. Whether you are an experienced leader or a specialist in your field, DRA will both challenge you and help you grow.

**Employment Opportunities:** Whilst DRA is a volunteer based organisation, opportunities for part and full-time employment are often available. If you are looking to start or progress your career in the disaster relief field, volunteering in DRA is the place to start.
