

Sheoak Grove Primary School Newsletter

Week 6, Term 2 2021

From the Principal

We've had another very busy fortnight since our last newsletter. We are now more than half way through a longer than usual term, but we will all stay focused on our learning through to the final siren of term!

Before School

We encourage our students not to come to school before 8:15 am when we have one of our administration staff on duty in Tamworth Square. There, we always have a range of equipment and games to play, and children are welcome to use our playground and basketball courts. Parents are encouraged to stay and play too, particularly those of our Kindy and Pre-Primary students who are required to be dropped off at their classrooms. A handbell rings at 8:30 am and that signals the time for students to move into their classrooms and get ready for the start of the day at 8:40 am.

Running Club (Tuesdays and Fridays), Choir Practice (Thursdays) and Breakfast Club (Tuesdays) continue to keep our before school time busy and gives our students further activities to participate in.

We want all families who arrive at school before 8:30 am to join us in Tamworth Square.

Coffee Van

Tuesday mornings are great for parents at Sheoak Grove because a coffee van comes to school. Mugs with Hugs serve Brother of Mine coffee and will be in our western car park this week. Grab a coffee and get the kids into Running Club!

P&C Update

We want to thank Danielle Tuffin (President) and Ellie Webster (Treasurer) for stepping in to

start our P&C off this year. Unfortunately, both ladies have now had to move on from those positions due to other commitments. We thank you both for your contributions, we very much appreciate it!

Thank you to Jessica Sarker who has taken over the President's role, Melissa Robertson who has taken the Vice President role for Jessica, and to Jared McEntee who has become our Treasurer. This has ensured that the P&C can roll on with its business and not miss a beat.

We are looking forward to the P&C events coming soon.

Mirvac Community Art Project

This week ECE 4 and Room 6 contributed to a community art project coordinated by Mirvac at the One71 Pump Track Park. They made their mark on permanent structures there by painting their hands on the concrete benches. They were fantastic art ambassadors and were beautifully behaved. Thank you to Ms Scarfe, Mrs Alder and Ms Goedhart for taking them across.

We've got many school events on the horizon, and we hope to see you all at one of them soon.

Cross Country Carnivals

BASSA Cross Country – Friday 28.05.21

At the time of writing, our students have not yet returned from the Interschool Cross Country Carnival after competing at Lark Hill Sportsplex today.

We do know though, that we had one third place winner in the Year 5 boys race and one second place winner in the Year 3 girls race. Huge congratulations to Oliver and Amelia for those achievements. We also understand that we have won the Handicap Shield for another outstanding effort competing against much larger schools. All reports are that our students have again behaved wonderfully well, representing our school community with pride and sportsmanship. Well done to all of you, to Mr Pilling and to all of our teachers who went along for the day.

We will have all the details at our next assembly and in our next newsletter.

Faction Cross Country – Friday 14.05.21

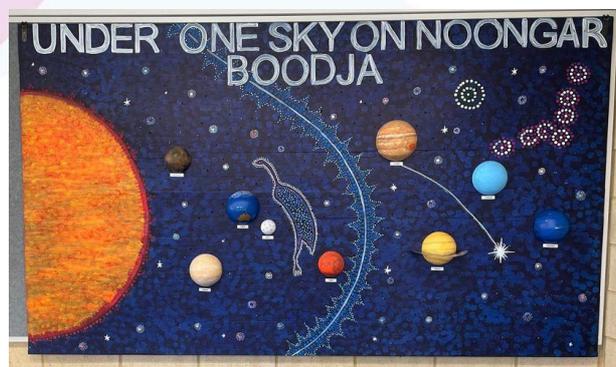

Last newsletter we congratulated **Piara Faction** for their exceptional performance to win our Faction Cross Country Carnival along with all of our students who tried their very best and finished the course. Here are the final results from the day:

Library Whispers

THANK YOU Sheoak Grove PS Community, for supporting our wonderful students by attending & purchasing items from our recent BOOK FAIR.

I was overwhelmed with the support and I am ecstatic to say we surpassed our goal of \$2,500 and sold a whopping \$3,849, giving us a credit to purchase books for our students to the value of \$962. WOW!

Scholastic Loop Online Book Club order, issue 3 has been delayed however, it is now with Australia Post so should be here within the next 2 weeks. I am sorry for any inconvenience this has caused you.

Book covering is on in the library Monday to Thursday mornings. If you would like to come for an hour or two, meet some other parents, have a chat and cover some books you would be most welcome. This is a child free activity. Thank you to the lovely ladies that have covered books this year, my library angels!

Mrs Gray, Librarian

Science Competition

As part of our Book Fair we had a Science Quiz competition for the students to enter. Congratulations to all our winners Jett Rm 7, Ella Rm 15, Ariana Rm 15, Alyssa Rm 7, Jack Rm 14, Shontae Rm 15, Lincoln Rm 7, Luke Rm 7, Anastasia Rm 14, Lilly Rm 7, Jayla Rm 15. The Science Team hope you have a fantastic time with the prizes.

Sorry Day

Our students in Room 15 were working on some Haiku Poems this week with the theme of Sorry Day. A Haiku poem has 3 lines with 5, 7

and 5 syllables. All the poems are on display in windows at the Library. Here are the poems by Jose, Millie and Chidubem.

Jose

Kids taken away
Sorry is more than a word
Building new futures

Millie

Pain is still in hearts
We move away from the past
We are so sorry

Chidubem

We raise awareness
We will forever protest
Fight for the stolen

Room 11 Speakers Corner

This term, students in Room 11 are learning the different skills involved in presenting and being

a good audience. We have each chosen a topic that we are passionate about and are learning to use appropriate body language, eye contact and props to present in front of others.

So far we have learnt about; ninjitsu, remote control cars, Magna comics, netball, the didgeridoo, baby brothers and sisters, crystals, cheer and even the Children's python. For those wondering, it is called the Children's python after John Children, the man who discovered it.

Simultaneous Story Time

Last Wednesday May 19, Sheoak Grove took part in the National Simultaneous Story Time session. An astronaut from the International Space Station read 'Give me some space!' written and illustrated by Philip Bunting. It was very exciting for us all to watch as not only was it beamed from space, but was watched by thousands of Australian children all at the same time.

Music Assembly

Miss Oliver's Room 14 music assembly last Friday was amazing. The class had been working hard learning about teamwork in music, what happens when everyone plays their part and how awesome the sound can be when it all comes together. Thank you Miss Oliver and Room 14 for all your hard work! If you would like to check out the performance, please head to our Facebook page.

Important Dates to Remember

- Monday June 7 – WA Day Public Holiday
- Friday June 18 – BASSA Winter Carnival
- Friday July 2 – Last Day of Term 2

Bread Bag Recycling

A reminder to bring in your empty bread, wrap, roll and muffin bags. Our first box is filling fast, a BIG thank you to all those families who have collected. The more bags we have, the more sports equipment we can order for our school! Bags and tags can be placed in the boxes in the student entrance at the rear of the administration building.
