

Sheoak
Grove
Primary School

Shine Grow Connect

I am going to a New School.

After the summer holidays I will be going to a new school.
My school is called Sheoak Grove Primary School.
My school is in Baldivis.

The principal at my new school is Mr Stanners.
Mr Stanners is looking forward to meeting everyone at our new school.
When I see Mr Stanners at Sheoak Grove Primary School I will say hello.

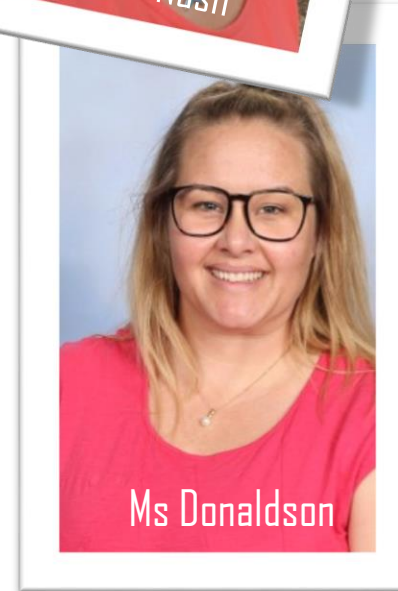

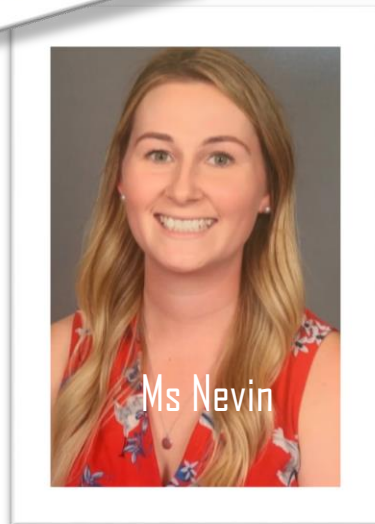

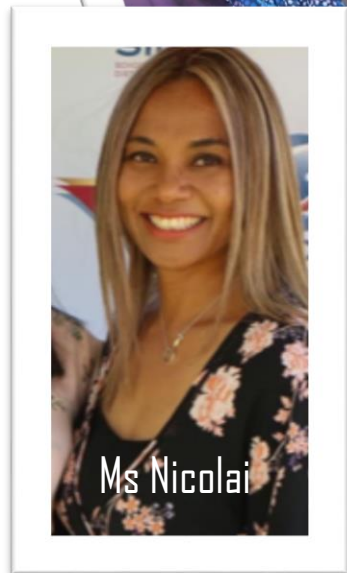

There will be a new office at Sheoak Grove Primary School.
Mrs Martin the Manager of Corporate Services, Mrs Oliver the Deputy Principal and Mr Stanners the Principal, will all be working in the office at the start of the year.

When I visit the library at Sheoak Grove Primary School, I will meet Mrs Gray.

When school starts, the library will be finished and Mrs Gray will have spaces for me to visit and books for me to borrow.

Mrs Gray has been working hard covering books and transforming the library for our new school.

At my new school, there will be new teachers.
I will have a brand new teacher in my brand new classroom.
Here are some of the teachers I will meet at Sheoak Grove Primary School.

Supporting WA school communities

I will meet our school chaplain, Mrs Lewis when I get to my new school.
If I see Mrs Lewis I can say hello.

After the holidays, the school, classrooms and playground will be finished.
I can go to school and play in the playground. I can go to school and learn in my
new classroom with my new teacher.

There will be people coming to my new school from all different schools. I might not know many people to start with but I will make new friends to work with in my classroom and to play with in the playground.

Everyone will be new to Sheoak Grove Primary School.
We will shine, grow and connect at Sheoak Grove Primary School and build our brand new school together.
